*First and foremost I must thank **God, the almighty** who granted me the ability to accomplish this research work.*

I first of all thank University Grants Commission, New Delhi for approving this Major Research Project and releasing substantial grants to carry it out for the award of project and financial assistance to pursue the research work at N.K.T. National College of Education for Women, Triplicane.

I also indebted to the services of Project Fellow, Ms. T. Niresha, for her sincere support in carrying out the project work.

My sincere thanks to the management authorities of the N.K.T. National College of Education for Women, Triplicane, to provide basic infrastructure facilities in the Department of Education throughout the tenure of the project.

Words are not sufficient to express special gratitude to my Principal Dr. S. Chamundeswari who has been an excellent source of inspiration for me. She encouraged me throughout my research work and helped in developing a research aptitude. Her advices on planning of experiments to interpretation of results and then summarizing them in the form a thesis have been priceless.

I am grateful to Dr. S. Vasanthi, Former Principal, who encouraged and guided me in selecting the topic of research. She always helped by giving her scientific advice and insightful discussions to take this work forward.

I also put on record my sincere thanks to all the principals and student teachers of the colleges of Education that I visited during the course of my research.

It is indeed my pleasure to thank the people who have been instrumental in the successful completion of this work.
