Changes Proposed & Justification in the B.Ed., B.Ed. Special Education & M.Ed. Programmes

(With effect from the academic year 2020-2021)

S.No.	Semester	Existing	Proposed Change	Justification
1.	Semester- I	In Unit on 'Teaching Aids' of the course, namely, the 'Pedagogy of School Subjects' (CPS 2a) does not include the sub-topic 'SMART Interactive White Board'.	To include the sub-topic 'SMART Interactive White Board' in the Unit on "Teaching Aids' of the 'Pedagogy of School Subjects' (CPS 2a)	Incorporating technology in the classroom process has become the need of the hour and moreover SMART Boards have been introduced in most schools. Thus the 'SMART Interactive White Board' is proposed to be included to familiarize the student-teachers with the operation of SMART Boards.
2.	All Semesters of B.Ed., B.Ed. Special Education & M.Ed. Programmes	No Common Cycle Test in the existing Assessment procedure	To conduct 2 Common Cycle Tests in addition to the Revision Examination and average marks of these are proposed to be included for calculation of Class Test Component of the Continuous Internal Assessment	Introduction of the Common Cycle Tests will streamline the testing pattern and inclusion of the Revision Examination Marks will also serve to assess the overall subject-content and ensure better academic performance.
3.	All semesters of B.Ed. & B.Ed. Special Education Programmes	Task and Assignment is allotted as a separate score for every course with separate Mark Sheets issued for the same for every Semester.	To include the Task and Assignment Score in the Continuous Internal Assessment	Instead of preparing separate Mark Sheets for 'Task and Assignment' the same is proposed to be included in the Continuous Internal Assessment for every course under the Practicum Component.
