(Autonomous)

PLO & CLO Mapping with Internal Assessment Tasks of the B.Ed Programme

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
1.	Identify the human behavior at various developmental stages by employing the theories of development and adopt strategies to improve learning	PE 1: Childhood and Growing up as a Learner	1. Compare and contrast the developmental stages of human beings from pre-natal to old age	Seminar Internal Examinations	100
			2. Interpret the various theories propounded by Psychologists		
			3. Apply appropriate methods to assess the development of learners		
			4. Assess child behaviour through psychological testing		
			5. Analyze an individual or institution by employing the Case Study technique		
		PE 4: Psychological Perspectives of	1. Gain insight into the cognitive process		
			2. Explain the concept of intelligence		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
		Learners	and creativity	Seminar Internal Examinations	99.48
			3. Interpret various theories to improve learning		
			4. Analyze the relationship between learning and motivation		
			5. Assess the affective aspects through psychological testing		
2	Engage with studies on Indian society and Education and challenge gender roles in society through social institutions	PE 2: Contemporary India and Education	1. Address the problems prevalent in the Contemporary Indian Society	Seminar Assignment Internal Examinations	100
			2. Point out the educational provisions enshrined in the Indian Constitution		
			3. Recognise the special recommendations of the Indian Education Commission in pre and post Independent India		
			4. Implement the various programmes of Quality Improvement for Education		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			5. Compare the schools of Education		
			6. Discover the contributions of Indian Philosophers to the field of Education		
		PE 6: Gender, School and Society	1. Illustrate the concept of gender, transgender, gender role development and challenges to gender equity; stereotypes and gender bias	Seminar Internal Examinations	100
			2. Summarise the influence of social institutions (family, caste, class, religion, region) on gender identity		
			3. Point out the role of schools, peers, teachers, curriculum and textbooks, gendered roles, relationships and ideas in textbooks and curricula in challenging gender inequalities/ reinforcing gender parity		
3.	Incorporate the principles and maxims of teaching in effectively constructing the	PE 3a: Learning and Teaching-Part-I	1. Interpret the concept of learning and teaching		
			2. Apply knowledge acquired on the task

	tasks of teaching		of teaching in real classroom situations	Seminar	100
			3. Analyze the importance of modifications of teacher behavior	Internal Examinations	
		PE 3b: Learning and Teaching-Part- II	1. Expound the learning and teaching process in an effective manner	Seminar Internal Examinations	100
			2. Implement the knowledge acquired on the principles and maxims of teaching in the classroom		
			3. Analyze the difficulties of the learner and design teaching accordingly		
4.	Analyse the various curriculum practices and implement innovations in the teaching-learning process while promoting inclusive practices	PE 5: Knowledge and Curriculum	1. Recognise the epistemological basis of knowledge	Seminar Assignment Internal Examinations	100
			2. Point out the perspectives of a curriculum		
			3. Implement the curriculum in the teaching-learning process		
			4. Analyze the various curriculum		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			practices		
			5.Predict the innovations in curriculum development		
			6.Formulate the basis of evaluating the curriculum		
		PE 7: Creating an Inclusive School	1. Appreciate the need for promoting inclusive practices and point out the aim of Education at the Pre-primary, Primary and Secondary level	Seminar Internal Examinations	100
			2. Identify children with developmental disabilities and provide instruction accordingly		
			3. Analyse the outcomes of policies and programmes to enhance the inclusive set-up		
5	Reconstruct and deliver instruction from disciplinary content knowledge through appropriate pedagogic	CPS 1: Understanding the Disciplines and School Subjects	1.Detect the origin and evolution of school subjects	Seminar Internal Examinations	100
			2. Interpret the nature of school subjects		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
	processes that communicate meaningfully and to assess learners using Continuous Comprehensive Evaluation		3. Analyze the criteria required for the selection of content		
		CPS 2 (a, b, c &d): Pedagogy of a School Subject – Part I, II, III & IV	CPS 2a: 1. Explain the nature and scope of the subject	Seminar Assignment Internal Examinations	99.48
			2. Formulate the aims and objectives of teaching the subject		
			3. Apply the teaching skills appropriately in the classroom		
			4. Classify the diversified needs of learners		
			5. Explore the various methods and strategies of teaching the subject content		
			6. Utilize the teaching-learning resources appropriately		
		CPS 2b	1. Organize co-scholastic activities for an enriched learning experience		
			2. Implement the process of evaluation in the classroom		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			3.Design year plan, unit plans and lesson plans systematically to streamline the teaching activities	Seminar Assignment Internal Examinations	100
			4.Develop teacher commitment to enhance professionalization		
			5. Predict classroom climate and manage the class activities effectively		
			6.Plan the optimal school design for better management		
		CPS 2c	1.Utilize the various learning resources appropriately	Seminar Internal Examinations	100
			2. Conduct Action Research and apply the results to improve the classroom procedures		
			3.Gain clarity on the various tasks to be executed during the school internship		
		CPS 2d	1. Discriminate Learner Controlled Instruction, Collaborative and Co-operative Learning and use them suitably for better curriculum transaction	Seminar Internal Examinations	100
			2. Appreciate curriculum development in the respective discipline		
			3.Relate the linkage of the subject to		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			community life		
		CPS3: Evaluation of Learners	1.Explain the concept and identify the various approaches to Evaluation	Seminar Assignment Internal Examinations	100
			2. Infer the qualities of a good testing tool		
			3. Construct and administer achievement tests		
			4. Interpret the test scores through quantitative analysis		
			5. Justify the need for Continuous and Comprehensive Evaluation and Portfolio Assessment		
			6. Assess children with special needs		
			7. Prepare the Test and Measurement Record based on the scores of achievement test of students in internship schools		
		CPS 4: Language across the Curriculum	1. Compare the language diversity that exists in the class-rooms		
			2. Familiarize with the language acquisition		
			3. Interpret functions of language in the		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			class rooms	Field Based Practicum	100
			4. Predict the importance of learning through the school language		
			5. Utilize the language skills acquired in the compilation of relevant activities specified		
6.	Transfer the knowledge of areas such as Health and Physical fitness, Library and Information Science, Women Entrepreneurship, Guidance and Counselling, Environmental Education, Women Education, Peace and Value Education and Pedagogy of Higher Secondary Education to practical life situations	CPS 5a: Health and Physical Fitness	1.Analyze the different aspects of health and fitness	Task and Assignment	100
			2.Express the importance of hygienic living		
			3.Identify the correct posture for a healthy living		
			4.Create awareness on the rules of safety and importance of first aid		
			5.Evaluate one's present status of physical fitness and provide the basis for setting- up an exercise programme		
			6.Predict the importance of weight management through exercise and diet and discover ways to cope with daily stress		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
		CPS 5b: Library and Information Science	1.Classify the types of library	Task and Assignment	100
			2.Compare and contrast the various information sources		
			3.Explore the various services offered in a library		
			4.Plan the schedule of activities for a library		
			5.Summarise the different contemporary technologies in a library		
			6.Sensitize with information literacy and user education		
		CPS 5c: Women Entrepreneurship	1.Analyze the meaning and facts of entrepreneurship		-
			2.Exhibit the behavioral qualities of an entrepreneur		
			3.Examine the key components of management tasks of women entrepreneurs		
			4.Discriminate the role of management functions in entrepreneurial development		
			5. Discover the contribution of organizations in developing		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			entrepreneurship among Indian Women		
			6. Indicate the role of teachers in promoting women entrepreneurs		
		CPS 5d: Guidance and Counseling	1. Apply the principles of guidance in practical situations and explore the types of guidance	Task and Assignment	100
			2. Discriminate the various types of counselling		
			3. Discover the history of guidance movement and analyse the various therapies in counselling		
			4. Explain the important role of a counselor		
			5. Demonstrate the techniques of group guidance and group counselling		
			6. Express the need of guidance and counselling in schools		
		CPS 5e: Environmental Education	1. Construct the objectives, scope and nature of Environmental Education		
			2. Perceive the causes and remedies for environmental hazards and pollution		
			3. Analyze the causes and control		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			measures for environmental degradation	Task and Assignment	100
			4.Prioritize the need for inclusion of Environmental Education in the school curriculum		
			5.Apply the knowledge of environmental policies and issues in India		
			6.Predict the various types of disasters and identify the control measures		
		CPS 5f: Women Education	1.Discover the history of Women's Movement		-
			2. Identify the role of Indian Women at the work place		
			3.Apply the legal rights of Indian Women in practical situations		
			4. Predict the reason for the decline of female population in India		
			5. Survey the problems faced by Indian Women		
			6. Analyze the role of Indian Women in Politics		
		CPS 5g: Peace and Value	1.Apply the concept of Peace Education in the transformation of violence into		-

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
		Education	peace		
			2. Reflect on the nature of conflicts and their resolution		
			3. Imbibe the knowledge, attitudes and skills needed to achieve and sustain a global culture of peace		
			4. Comprehend the important sources of values		
			5. Summarize the concept of Value Education and point out the role of social institutions in developing values among children		
			6. Utilize appropriate methods of teaching values		
		CPS 5h: Pedagogy of Higher Secondary Education (Only for PG students)	1. Analyze the structure and standards of Higher Secondary Education in the country		-
			2. Familiarize with the administrative aspect of Higher Secondary Education		
			3. Reflect on the teaching strategies and research in Higher Secondary Education		
			4. Explore the examination reforms in		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			the country		
			5. Expound the quality standards set in Higher Secondary Education		
			6. Determine the role of planning in Educational Management		
7.	Enhance professional capacities in areas such as Critical Understanding of ICT, Physical Education and Yoga, Reading and Reflecting on Texts, Life skills for Understanding the Self and Drama and Art in Education and to engage with the self, the child, the community and the school	EPC 1: Critical Understanding of ICT	1. Interpret the concept of Information and Communication Technology	1. Preparation of Multimedia package on any topic to enrich the teaching – learning process 2. Developing report on critical issues in utilization of internet among Learners 3. Preparing various types of graphs highlighting the performance of students 4. Using available software or CDs with LCD projection for subject learning interactions	100
			2. Predict new horizons in ICT		
			3. Discover enriched learning experiences using ICT		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
				5.Critically evaluating any one MIS(Maintaining Institutional records) used for administrative purpose in school system	
		EPC 2: Physical Education and Yoga	1. Integrate the fundamental skills of games and sports	1.Performance in Calisthenics or Light Apparatus	100
			2. Explore the different physical activities	2.Performance in Marching	
			3. Develop the correct body postures for better health	3.Assessment of any one organized game	
			4. Indicate leadership, followership and sportsmanship qualities	4.Skill Performance in Athletics	
			5. Demonstrate different asanas for enhancing physical health	5.Performance in Yogasana	
			6. Prepare the Physical Education and Yoga record		
		EPC 3: Reading and Reflecting on Texts	1.Read and respond to a variety of texts in different ways	1.Review of major based State Board School Text book	100
			2.Enhance their capacities as readers and writers by becoming participants in	2.Review of an	

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			the process of reading	autobiography	
			3. Operate interactively- individually and in small groups	3.Review of a reference book related to core courses	
			4. Design questions to think about, while reading a passage	4.Review of any one Commission reports	
			5. Critically appraise the content in books, documents and research papers		
		EPC 4: Life Skills for Understanding the Self	1.Assess oneself through self -analysis	1.Ice Breaker Exercise	100
			2. Construct positive thoughts for better mental health	2.Positive thinking exercises	
			3. Identify and manage emotions	3.Identifying emotions skills	
			4. Plan time effectively	4.Time Management skills	
			5. Create dreams and aspirations and work towards one's goal	5. Reflection on Dreams	
		EPC 5: Drama and Art in Education	1.Associate Art with Education for better communication	1.Performance of group dances	100
			2. Develop creative thinking through different Art forms	2.Visiting a museum or art gallery and developing a reflective journal	
			3. Realize that liberal arts help in making better professionals		

S.No.	Programme Learning Outcomes	Course	Course Learning Outcomes	Internal Evaluation	Attainment %
			4. Integrate the role of Art medium in Education	3.Craft work on origami	
			5. Interpret the student's ability for perception and reflection	4.Painting performance	
			6. Prepare a record on Drama and Art activities in the school	5.Performance in stage drama	
		EPC 6: Health and Physical Education	1.Create the exposure to hygienic living	1.Performance in Light Apparatus or Kolattam	100
			2. Assess the importance of first aid	2.Assessment in any one organized game	
			3. Sensitize the significance of taking nutritious food	3.Skill Performance in Athletics	
			4. Discover the importance of correct postures and various postural defects	4.First Aid Record	
			5. Develop the regime of physical fitness for healthy living		
			6. Integrate team spirit and co-operation for better group dynamics		
			7. Prepare Health and Physical Education record
