Greetings from Cognizant Foundation (CF)

I am trying to communicate with you however, failed as I experienced technical difficulties while connecting through your institution's landline no. Ma'am, we would like to know whether you are interested to explore the feasibility of establishing a scholarship program for students pursuing B.Ed. in Special Education in your institution. CF is created to spearhead CSR initiatives in Cognizant with the objective of improving, guiding and inspiring the lives of underserved people. CF focuses on the areas of Education, Health care and Livelihood.

As our humble contribution in the area of Special education, we are pleased to announce the institution of CF scholarship to deserving meritorious students pursuing B Ed Special Education (across all specializations) commencing academic year 2018-19. This will be a merit cum means scholarship. CF will extend this scholarship to students from economically underserved background (Total family income lesser than 3 lakhs per annum) with a CGPA/percentage score not less than 6.0/60 in their Under Graduation. Eligible Students who have joined the first year B Ed Special Education shall apply and continue to receive the scholarship for the subsequent year as long as they maintain the 6.0 CGPA/60% in the B Ed program.

Please Note: As we are on the verge of launching the program I wish you to fill in the form enclosed which will greatly help us in the allocation of
