Consolidated Report of the Mentor-Mentee Activities

Semester-I

J. Dr. V. Jayashree Priyadhassimi was allotted 11 student-teachers. During the Mentor-Mentee activities the student personal details were collected and had a thorough interview about every individual student. Being the second batch of students they showed interest in the Certificate Courses and Self Study Courses.

During the Mentor meeting the students are guided and assisted to take up Self Study Courses, which will enrich them to develop High Self Esteem when they complete the Programme.

The students showed much interest in taking up of the Seminars and Workshops offered by the college. The Entry Level Behaviour was assessed and Micro teaching was continued in the Semester-I. Ms. J. Vijayamma left the course soon after the class test as she was offered a job in Doordharsh Television as her father expired while in service.

The Student Orientation Programme highlights on the various services offered by Counseling Cell. The students were motivated to do awareness programmes, participate in exhibitions, create interest in performance art skill, organizing skills.

These exposure helped them to do well in their Internal Assessment and practical assessment components during the theory and practical assessment.
