NKT Placement Cell Report

2020-2021

RECRUITS PURSUIT

The prosperous Recruits Pursuit of the N.K.T. National College of Education for Women as all these years was prepared to call for the campus drive for the academic year 2020-2021. Due to the worldwide pandemic and the closure of Schools and Colleges for more than 18 months the campus drive was not organized this year.

This year too, there were few schools that wished to recruit from all pedagogies. Students have been placed through off-campus interviews across various subjects like English, Tamil, Mathematics, Physics, Chemistry, Botany, Zoology, Economics, Computer Science, History, Geography, and Commerce& Accountancy.

With relentless support from Secretary, Principal, Placement Officer, Faculty members, and students, the Placement Cell continued its support by informing students about the opening at various schools through word of mouth.

“Climbing to the top demands strength and skills, whether it is to the top of Mount Everest or to the top of your career”-Dr.A.P. J. Abdul Kalam

The Placement Cell as in past years conducted Programmes collaborating with other Cells and Centers of the College to organize various Programmes online that would benefit the students at the time of the interview. These online Programmes helped students to accomplish their desired objectives.

Key Highlights
