## NKT Cultural Report

2016-2017

N.K.T.National College of Education for Women firmly believes that students acquire new skills through Cultural events: Extra and Co-curricular activities not only refreshes them also cultivated better social skills, critical thinking skills, better leadership skill and peer understanding. The aim of any Educational Institution is not to provide only academic knowledge. The prime most important skill of getting rid of stage fear and ability to address the students is made possible only through cultural activities. Students learn better time management, develop more confidence and responsibility. In order to fulfil this motive the College organised intercollegiate competitions.
