National Webinar on Promoting Creativity in Learning & Teaching

Organized by

NKT Centre of Excellence

29th April 2021

Shared Techniques to foster creativity among students

CREATIVE THINKING & CREATIVE TEACHING - CATCH THEM YOUNG

- ❖ One important way a child learns of his self-worth is through his interactions with you as the teacher.
- ❖ Be generous in praise & positive descriptions of children's work and ideas.
- ❖ Remain focused on the uniqueness of each child and run an extra mile to nurture the child's trust and creativity.
- ❖ Hold group meetings where children can freely express ideas, particularly in the area of problem solving.
- ❖ In your classes allocate 15 minutes thinking time on any thing not related to their lesson plan. *Toyota's slogan , " Bring your mind to work" – "When you are here think"*
