COLLEGE MOTTO

Love, Service, Sacrifice

This is my prayer to Thee, my Lord

Strike, Strike at the root of penury in my heart

Give me the strength lightly to bear my joys and sorrows

Give me the strength to make my love fruitful in service

Give me the strength never to disown the poor or bend my knees before insolent
might.

Give me the strength to raise my mind high above daily trifles.

Give me the strength to surrender my strength to thy will with love.

- Gitanjali

PLEDGE

“India is my country; all Indians are my brothers and sisters
I love my country, and I am proud of its rich and varied heritage
I shall always try to be worthy of it
I shall give my parents, teachers and all elders respect and treat everyone with
courtesy
To my country and my people, I pledge my devotion
In their well-being and prosperity alone lies my happiness”.

ABOUT OUR FOUNDER

Our Founder, Thiru. N.K. Thirumalachariar, who lead humankind toward excellence through his untiring educational efforts, was responsible for starting the National Training College for Women, at present termed as the N.K.T. National College of Education for Women.

Born on September 17th 1895, in a small village of Thirunelveli District, he became a lawyer and was admitted to the Bar in the year 1919. He had an inborn inclination for public service, which was realised through his educational service.

The present N.K.T. National Girls' Higher Secondary School was started by him as an Elementary School in the year 1941, which soon grew to become a Middle School, a High School and a Higher Secondary School.

In order to produce efficient teachers he started the N.K.T. National Training College for Women in the year 1966. THE COLLEGE EMBLEM

The college emblem consisting of a chariot with Lord Krishna and his disciple Arjuna reminds us of the words - **NULLI SECUNDUS** - which portrays excellence in education and second to none in knowledge. This emblem encompasses the values of love, charity, service, sacrifice and piety. The symbol of lamp signifies that the light of knowledge is shared and disseminated with others. The Bhagawad Gita denotes illuminous teachings for a goal directed towards life for eternal bliss.

ABOUT OUR COLLEGE

N.K.T. National College of Education for Women was established in the year 1966, which is at the heart of the city of Chennai. Our College is housed in an area of 3.06 acres, where a model school is also situated. It has metamorphosed into a well established, urban College catering to the teacher educational needs of women from all sections of society. The College offers graduate, post graduate, research and doctorate in Education with Autonomous status awarded by the University Grants Commission in the year 1988. With thirty four years of autonomy, the College has grown upright to great heights as an institution of higher learning in Education. In its continuous striving for excellence over five decades in achieving position 'Second to None', the institution has been successful. Though the challenges and constraints were many, the College has been upgrading its courses on par with the expectations of the society. In endeavouring to attain excellence in Teacher Education, the College has achieved great strides in the academic ladder by upgrading into a post graduate institution in the year 1980, into a research centre in 1983 and by attaining the autonomous status in 1988. The Autonomous status of the College provides great scope for enhancement and enrichment of academics in multifarious directions.

The introduction of peer team evaluation by the National Assessment and Accreditation Council enables all academic bodies to periodically assess their progress in comparison with similar institutions. This evaluation is a feedback to the institutions aspiring for betterment in Education. N.K.T. National College of Education for Women has also fallen in line with regard to NAAC peer team evaluation and was awarded a five star status in the first cycle in the year 2001 and awarded A Grade with CGPA of 3.26 on a 4.00 point scale in the second cycle during the year 2011. The College, in this 56th year of its existence, with 34 years of autonomy, remains fully aware and committed to its mission of empowering young women students teachers to face life and its multifarious challenges at both personal and professional levels. To this end, it renews its commitment to maintain quality in Teacher Education, participating in the process of nation building, working for social change and ensuring justice and equity in all aspects of its educational mission, which facilitates our institution to acquire reputation for excellence, inclusiveness and committed service to the teaching community.

"Try to be pure and unselfish - this is the whole religion"

My children the secret of religion lies not in theories but in practice. To be good and to do good that is the whole of religion. "Not be that crieth 'Lord' 'Lord' but be that doeth the will of the 'Father' You are a nice band of young men and I hope in no distant future many of you will be ornaments of the society and blessing to the country you are born in."

-Swami Vivekananda
